Notes:
Let us know if you have any other special requests about your new puppy and we will do our best to make your wishes come true
zer as known god nave drig ether opecial requests about your new puppy and we will do our best to make your wishes come true
The Deposit to hold a puppy is \$500.00 dollars. If for some reason the puppy is produced and the owner backs out on the
puppy the deposit is non- refundable. If the desired breeding is not able to take place, the deposit will be refunded or the
option to move the deposit to a future litter will be given. If using a check you can write the check to Tyce Erickson or you can
venmo us @TyceErickson. We can also take a card over the phone, but we ask that you pay the 3.5% charge if wanting to use a
card.
Thank you for taking a look at Utah Pointing Labs. We are proud of our dogs and hope you will enjoy your new hunting
companion and member of the family for years to come.
